HIGH PLAINS METROPOLITANDISTRICT 2019 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for Arapahoe County on November 27, 2002, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under an Amended and Restated Consolidated Service Plan approved on March 10, 2006.

The District was established to provide sanitation, water, streets, traffic and safety controls, parks and recreation, and other related improvements for the benefit of the taxpayers and service users within the Districts' boundaries.

As of December 31, 2015, the District had remaining voted debt authorization of approximately \$1,981,510,000. The District has not budgeted to issue any new debt during 2019. Per the District's Service Plan, the District cannot issue debt in excess of \$100,000,000.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April, or in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The method of calculating assessed valuation of residential assessment rates in the State of Colorado changed to 7.20% from 7.96% for property tax years 2017-2018 on April 17, 2017 with a report submitted to the State Board of Equalization. Accordingly, the ARI mill levy increased to 1.105 from 1.000 mills.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

HIGH PLAINS METROPOLITANDISTRICT 2019 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

Revenues (continued)

Aurora Regional Improvements Mill Levy

Pursuant to the Service Plan, which is dated August 6, 2004, the District is required to impose a 1.000 mill levy for payment of the planning, designing, permitting, construction, acquisition and financing of the regional improvements described in the ARI Master Plan. The ARI Master Plan is one or more master plans adopted by an ARI Authority establishing Regional Improvements which will benefit the taxpayers and service users of the districts which constitute such ARI Authority, which master plan will change from time to time. The District is a participant in the Aurora Regional Improvement Authority No 1. Revenues collected and held under the ARI mill levy will be held in a segregated account for the benefit of the Authority.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 6.0% of the property taxes collected.

Operations Fee

The District imposes a monthly operations fee on homeowners and vacant lot owners. The fee varies between the two types of owners based on applicable costs to operate the landscape and maintenance of the District property. The fees and associated expenditures are tracked in the Operations Fee fund.

Interest Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 1.5%.

Expenditures

General, Administrative, and Operations Expenditures

Administrative expenditures include the services necessary to maintain the District's administrative viability such as legal, accounting, audit, managerial, insurance, banking, meeting expense and other administrative expenses. Additionally, the operations expenditures to maintain District property are detailed in the Operations Fee fund.

Debt Service

Principal and interest payments are provided based on the debt amortization schedule from the Series 2017 General Obligation Refunding Bonds. The District's current debt service schedule is attached.

See related notes below under Debt and Leases.
